

LEMACCHIOLE

PALEO ROSSO

First produced in 1989, this incredible wine is the symbol of the winery, and it truly epitomizes Bolgheri. At first, the wine was a classic Bordeaux blend but became a Cabernet Franc monovarietal in 2001; since then, it has been a huge success. The name "paleo" refers to a wild herb found on the Tuscan coast, and it symbolizes a strong local identity and the will to reach all goals.

HARVEST REPORTS

Spring was marked by slightly above-average temperatures and heavy rainfall. It rained non-stop from July on, with below-average temperatures. During harvesting, weather conditions were quite changeable, with only one period of steady good weather during which we harvested some fairly ripe grapes, but then the rain took over again preventing all grapes from achieving perfect ripeness. Harvest 2002 was one of the most challenging of the decade.
